

Catapult Learning provides counseling services in nonpublic schools in Philadelphia through funding under Pennsylvania Act 89. This year in addition to individual and small group counseling, Catapult Learning will be offering various in-classroom services which will serve the entire class through activities designed to meet the learning, social and/or emotional needs of students.

At the request of the classroom teacher or principal, the Catapult Learning counselor will be leading an activity in your student's class on the topic of Small Counseling groups and classroom guidance. The counselor will meet with the class for 40 minutes on a as-needed basis.

Catapult Learning services are provided to students with parental permission to participate. If you do **NOT** wish your child to participate in this in-classroom service, please complete and sign the form below and return it to your student's classroom teacher by 10/14/16.

If you have any questions, please call the Catapult Learning Counselor Penny Keiff / Esther Averbach
